

SANDHILLS QUILTERS GUILD

Jessica Vctor of Jessica Quilter, LLC will present a program on "Fabric Talk". Jessica has been sewing since she was a little girl. She is a 5th generation quilter and has been quilting more than 20 years. After years of making custom quilts, t-shirt quilts, and long-arming for customers, Jessica now stays busy with writing patterns. With a keen eye for color, she has made over 600 quilts, and continues to experiment with design patterns to share with her Instagram followers.

During her talk, Jessica will share a variety of these quilts, many of which were made using her patterns. Jessica's patterns are available in her Etsy Shop as PDF downloads and will be available at the Guild meeting for purchase in printed paper form.

Immediately following the guild meeting, Jessica will lead a workshop using her Fabric Talk Quilt Pattern (cost \$25). The meeting and workshop will be held at Whispering Pines Community Building, 1320 Ray's Bridge Road, Whispering Pines, NC.
